Investment involves risks, including the possible loss of principal amount invested. Past performance is not indicative of future results, prices can go up or down. Investors investing in products denominated in non-local currency should be aware of the risks associated with exchange rate fluctuations. For more details, please read relevant fund prospectus (including risk factors).

Investor's risk tolerance level and scores generated are calculated based on the information you provided us with in this Questionnaire. This Questionnaire and the results generated are for your reference purposes only, and they aim to assist you in understanding your own risk tolerance level to determine your investment needs. The resulting scores of this Questionnaire will provide you with some indication of the overall risk tolerance ability for the typical investor with similar scores. It does not necessarily reflect your current perception of your actual risk tolerance ability. In particular, market conditions and experience from your recent investment gains or losses may affect the assessment of your current risk tolerance ability. Therefore, you should make your investment decisions based on your individual circumstances and take the above-mentioned factors into consideration.

重要事項：

投資涉及風險，並有可能導致本金損失。過往的成績並不代表未來的表現，而價格亦可能會上升或下跌。投資於非本土貨幣結算的產品的投資者應注意，投資將受匯率波動影響。詳情請細閱有關基金說明書（包括風險因素）。

投資者風險承受程度及所得評分是根據您在問卷所提供予我們的資料計算。本問卷及所得結果僅供您作參考用途，旨在助您瞭解本身的風險承受程度，以便釐定您的投資需要。問卷的評分結果將會顯示得分相若的典型投資者的整體風險承擔能力，並不一定能反映您現時認為的實際風險承擔能力。特別是市場狀況及您近日的投資收益或虧損經驗，可能會影響您現時風險承擔能力的評估。因此，當您作出投資決定時，應基於您的個別情況，並考慮上述因素。

Investor's risk tolerance level and the corresponding types of funds provided only act as a broad guideline to show the range of funds that might fit typical investors with similar scores. This information did not take into account any subjective factors affecting your actual risk tolerance level (such as those described above), nor any other specific investments you may have. As such, investing in any fund in the corresponding types of funds provided may not necessarily meet all your investment objectives. You should carefully remember to take into account your actual circumstances, and make investment decisions according to all relevant factors that are influential to you. Also, the above results should not be considered a substitute for your independent research. When necessary, you should seek independent professional advice.

Investment products are not bank deposits or obligations of, or guaranteed by, Bridgeway or by any local government or insurance agency, unless specifically stated. Investments are not available to U.S. persons. All applications for Investment and Treasury Products are subject to specific Terms and Conditions of the individual products.

Bridgeway reserves the right to only offer the investments to investors that meet the relevant eligibility requirements and that the Company will reject ineligible applications. All Terms and Conditions on the Account Opening Form shall apply equally to this Questionnaire.
